

HOW TO ENTER YOUR PRC/Choice BOOKS

1. Search NSW PRC 2022 in a search engine or visit: <https://online.det.nsw.edu.au/prc/home.html>
2. Login using your **student username** and **password**. These are exactly the same as what you would type to access Student Portal.
3. On the left-hand menu click on your **Student Reading Record**.
4. Enter the details of the book you have read. The easiest way is to **type in the PRC number in the ID box**. Any PRC books you borrow from our school library have a PRC number on the first couple of pages behind the front cover of the book. If you don't have the PRC number, you can enter the book Title and/or Author's name and click **Add**.
5. If you are entering a Choice Book, find the button that says **Add a Choice Book** and do the same as step 4. Choice books will not have PRC numbers.

All the best and don't forget to ask for help if you need it!
