Term 3, Week 6
Monday, 26th August, 2019

Dear Parents,

Book Week

This year's theme is 'Reading is my Super Power' and is the inspiration to celebrate children's books and reading at our annual Book Character Parade, being held tomorrow (Tuesday 27 August). Mrs Ennis and Mrs Erzikov have spent many hours preparing to make Book Week a success at our school. They inspire our students to read every day, not just during this week. Their dedication to our library and our students is highly valued and commended.

As well as the parade, student work will be displayed in the library. Prizes will be awarded at the parade. Parents and carers are encouraged to attend. There is also a Book Fair in the Library, where students are able to purchase a book. All sales will contribute to extra resources for our Library.

Zone Athletics Carnival

On Wednesday, 28th August, the Zone Athletics Carnival will be held at the Crest, Bankstown. Students who qualified for running or field events will represent our school. These students should have received a permission note last week.

Students will be travelling to and from the venue by bus. Students will need to be at school by **8am** and will return at approximately **3.30pm**. If your child has been selected to attend the carnival and you are experiencing financial hardship, the school will assist. Please contact the office.

NSW Department of Education Enrolment Policy

In Week 4, all families should have received information about the revised Enrolment Policy, which applies to all Public Schools in New South Wales. Please take some time to read this information. If you didn't receive a copy, you can obtain one from our office. If you have any questions, please contact the office to make an appointment with Miss Presot, Mrs McCammond or myself. The revised policy will be in place from the beginning of Term 4, 2019.

SAS Staff Recognition Week

As well as Book Week, we are celebrating School Administrative and Support Staff and the valuable work they do, every day of the school year. This is an opportunity for us and the community to show our appreciation to these dedicated staff members. Our SAS Staff includes:

Mrs Amanda Daniels, Ms Cindy Nguyen, Mrs Julie Pescod, Mrs Zoe Bowen, Mrs Vi Nguyen, Ms Jennifer Pollikett, Mrs Karyn Stephenson, Mrs Lynda Delandro, Mrs Mimmie Romeo, Mrs Olimpia Micelli, Ms Lisa Nagatsuka, Mrs Julia Huang, Mrs Kim Ung, Miss Liv Macmillan, Ms Kim Williams, Ms Vanessa Perkins, Mrs Dunia Mushko, Mrs Dorota Jezierski, Mr Jim Jankulovski, Mr Frank Timpano and Ms Kathryn Glanville.

Thank You

In Term 2, we asked the school community to donate stationery for our charitable work in India. The response was overwhelming as all six of us carried a small suitcase each loaded with 10 kilograms of donated stationery. The stationery was distributed to one of the underprivileged schools we worked at in New Delhi as well as to a slum school run by i-India in Jaipur. i-India is a not-for-profit government organisation that assists street children to overcome homelessness, malnutrition and illness. We were overwhelmed with sadness and joy to hear how this organisation sends scouts out on a daily basis to search train and bus stations for vulnerable children. As many as 3000 children have been saved from slavery, exploitation and underage marriages. These children are given an education and many go on to high school, university, college and vocational centres. To date, i-India has provided shelter for 394 children; formal education for 813; non-formal education for 1428; 280 have been reunited with their families; 448 young adults have accessed vocational training; 17999 were medically treated on streets, slums and rural areas; 1205 children were provided with regular showers and personal hygiene services and 2175 were given one-time fresh and warm meals on the streets and in slums. We spent a day preparing and serving meals to these children.

A huge thank you to the family who donated \$1000 towards our cause. The money was used to purchase four computers for a high school in rural India and a water filtration system for children to access clean drinking water in the slum school run by i-India. The filtration system will be known as St Johns Park Public School in Australia and photos of the computers and filtration being installed will be shared on our website as soon as they become available.

From our hearts to yours, our generous school community, we say, thank you so much. You helped us make a tiny difference.

Live Life Well @ School

WHY WATER?

- Helps keep you hydrated
- Does not have any added sugar
- The fluoride in tap water helps children develop strong teeth and bones
- Helps keep your body's temperature stable
- It is constantly being lost from our body (e.g. when we go to the toilet and when we sweat) so if we don't drink enough we become dehydrated

Preschool News...

What has been happening in Preschool?

The preschoolers love discovering and experimenting with various types of art medium. Using charcoal for creative self-expression is a different experience from working with paint, markers or pastels.

The children were fully engaged in the process of learning fun ways to use charcoal for drawing. Our primary focus was to enjoy the process and give the children an opportunity to participate in an open-ended art activity where they could take complete control, develop fine motor skills and of course enjoy the messy hands.

The children are learning how to manipulate and effectively use a different medium. Charcoal has become available to the preschoolers where they can freely access it with other familiar art materials.

Outcome 4: Children are confident and involved learners

4.1 Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity.

Cooking Program

The preschool cooking program is well underway this term. We have cooked damper in our preschool campsite, garlic bread using fresh parsley from our garden and this week we have made spaghetti using fresh carrots from our vegetable garden. The children enjoy turn taking, each having different roles and responsibilities when cooking, learning about different ingredients and utensils, and tasting our yummy food.

QA6	Collaborative partnerships with families and communities
6.2.3 Community Engagement	The service builds relationships and engages with its community.

Debating Reports

Premier's Debating Challenge

On Wednesday 13th June, the debating team debated against Smithfield Public School. We were the negative team and the topic was: 'All students should participate in organised sport every lunch'.

The debate was close and both teams demonstrated excellent manner and collaborative teamwork. The opposing team won the debate.

Congratulations to Jayden, Dylan, Melanie and Michelle for their great efforts in developing logical arguments.

Fairfield Debating Competition - Round 2

On Monday 12th August, our school's debating team debated against Lansvale Public School in the Fairfield Debating Competition. Students were challenged by debating against the topic, 'Plastic Bags should be banned'. Being on the negative side, students came up with strong arguments that plastic bags are the better choice and other alternatives can bring upon negative impacts to humans and the environment. All students did a fantastic job with great poise and expression during delivery, strong arguments with reasonable evidence, and immediate and elaborate rebuttals. They successfully won with a strong summary speech.

Congratulations and good luck in the next debate!
